CEREMONY LOCATIONS

Below are three of our favourite spots to say 'I do'!

CREEKSIDE PAVILION

The Creekside Pavilion is an open-air, undercover amphitheater-style space that brings the beauty of nature right into your ceremony. Overlooking the tranquil creek and surrounded by lush greenery, this light-filled structure offers seating for up to 120 guests.

MANOR COURTYARD

Tucked just below the manor, the Manor Courtyard is a charming sandstone-gravel space bordered by sandstone boulders, lush lawns, and a peaceful dam. It's open, sun-kissed and effortlessly elegant, the kind of setting where every moment feels cinematic.

GREAT LODGE COURTYARD

The Great Lodge Courtyard is a charming sandstone-gravel space positioned just outside the iconic Great Lodge. Framed by a striking bottle tree and accessed through its own cast-iron heritage gate, this courtyard offers a blend of character, intimacy and natural beauty.

COCKTAIL HOUR

Included in both our full wedding package and our micro-wedding package is exclusive use of the Kwila Lodge grounds for your cocktail hour.

Wander between the Great Lodge Courtyard and the Manor Courtyard, drink in hand, as you enjoy the relaxed atmosphere, sweeping lawns, and charming outdoor spaces. Your guests can mingle beneath the bottle tree, take in the views across the dam, and savour a curated selection of canapés while the celebrations unfold around them.

RECEPTION

Included in our full wedding package is exclusive use of our heritage Manor, accommodating up to 160 guests seated or 250 guests for a standing (cocktail-style) celebration.

The Manor is the heart of Kwila Lodge, a grand, light-filled space featuring soaring ceilings, luxurious drapery, polished timber floors and beautifully preserved heritage windows. Bathed in natural light throughout the day and glowing warmly into the evening, it offers an elegant, timeless setting for your reception, perfectly balancing historic charm with modern comfort.
