Beautiful Gunaikurnai Land and Waters.

Congratulations **ON YOUR ENGAGEMENT!**

We love a love story and can't wait to hear yours!

This is us: Julia & Adam Vardy, owners and operators of Mewburn Park Weddings and Events.

Our very own love story started when we met through our careers in graphic design. We soon realised that our shared **passion and expertise for events, hospitality and design** all lead to our dream life of running an exceptional Wedding and Events venue.

So, in 2016, we moved back from Europe to Adam's family estate and through hard work, careful planning and an absolute LOVE of weddings, we were able to execute our dream and make Mewburn Park what it is today.

Our reputation for personal service and a little "farm-charm", makes us the choice for your wedding day, with everything you need all in one place.

We are here every step of the way - let's get this wedding planning started.

We can't wait to meet you,

Julia and Adam

O H Y E S I D O

Ceremony options

The estate offers a wide *range of ceremony locations* for you to choose from.

In the lush gardens with shady trees, in front of the iconic historical 1850s brick Stables or using the charm of the wisteria - plenty of options to make it yours.

The ceremony area will be set up with 40 chairs, a signing table and a water station for your guests on arrival. Umbrellas for shade can be provided if necessary.

Your chosen ceremony area is also your space where the *'After Ceremony Drinks or Cocktail hour(s)'* commence, all fully set up with our white pop up bar, and matching bar tables and stools.

In case the weather is not in our favor, no worries, we have it covered: the plan B is the Old Farmers Shed, decked out with trees and lounges to keep you in the garden vibes.

BAD WEATHER *We have a plan*

Yes, we are in Victoria, so better have a plan for the '4 seasons in one day' days. So, in case the weather is not in our favour, we start with our **50/50 plan B**. If the weather is one of those days with 50% chances of 2ml of rain, we will try to have your ceremony set up either in the homestead gardens (next to The Stables) or The Stables courtyard, but have your cocktail hour in The Farmers Shed. That way we can make a real last minute decision before your guests arrive for your ceremony, and all guests are sheltered for the ceremony drinks/cocktail hour in case it does come down on us.

If the weather is simply too challenging, then please know we do have the **Old Farmers Shed** as a plan C. We added some lush green trees and comfy lounges in there so you still feel all the garden vibes. Your ceremony is such an important part of your wedding day, let's not worry about the weather and have you and your guests dry and happy for the "I do's".

#wetweathermagic #letshaveaplan

A GREEN OASIS *for you to explore*

Our gardens are an **always green oasis** with endless photo opportunities for you to explore. The old oak trees line the breathtaking driveway with birds swooping in front as you drive in, welcoming you to the sanctuary of Mewburn Park, where fairytale romance and country elegance collide.

The 20 acres of gardens are lush and always green with tranquil walkways, ponds offering those hidden spots that give the 'perfect moment' shot.

Our front gardens showcases our two **big old oak trees**, the perfect ceremony spot, giving you plenty of shade in the warmer months with loads of space for kids to run around and have family photos taken.

Have a look at the estate's famous prickly pear Cactus (it's huge!) for another romantic pic or the lagoons with their ducks and birds - oozing serenity.

FARMCHARM

Breathtaking photo backdrops

Mewburn Park Homestead is located in the center of a working farm. With over 300 acres of rich fertile farmland there are plenty of locations to choose from for your *farmcharm* sunset shot - just a short walk from the marquee.

You and your photographer can explore the grounds for that perfect shot. But don't stress, you won't be searching across the whole farm on horses for that special corner, we have the highlights all conveniently located right near the party. Just next to the Farmer's Shed we have the ideal corner with a long dusty driveway with wispy dry grasses and *epic views of the Gippsland Highlands*.

We can't promise you a cow, instead there are also the rustic sheds, the old dairy, cattle yards with old tractors and old gum trees for versatile backgrounds. All perfectly located to compliment *the killer sunsets* in the early evenings.

MARQUEE MAGIC *under the stars & sky*

We've positioned the stunning clear-view marquee so that you & your guests get the most out of the stunning views: overlooking the gardens, farmland, mountain ranges & old brick stables.

The 25 x 10 meter spacious marquee, offering *plenty of space* for a sit down (max. 165* guests) or a relaxed cocktail party (max. 200* guests). With 5m wide bays you have the best uninterrupted views of the property and the sky above, bringing the outside > inside. Furniture inclusions for up to 130 guests.

The marquee is fully *equipped with everything* you need: from wooden tables, white chairs, a portable bar, bar furniture, fairy lights combined with dimmed festoon lights, concrete flooring & wooden decking, fans and heaters, as well as plenty of electricity for your entertainment - *all included* in our venue hire.

It's a *blank canvas* waiting for your personal touch with styling & co.

*on request due to liquor licensing
