# WHERE WEDDINGS BECOME WEEKENDS

Tucked beneath towering eucalyptus trees just minutes from the Gippsland Lakes, Eight Acres is a private boutique wedding & accommodation venue designed for wedding couples who want more than a 6-hour celebration.

This isn't a venue you hire for a day. It's a place you settle into.

Guests arrive on Friday.  
They unpack. They pour a drink.  
They stay.

By Sunday morning no one wants to leave.

“Weddings deserve time —to  
gather, to linger, to truly  
celebrate.”

**Pete & Ellis**  
Owners Eight Acres

# THE WEEKEND EXPERIENCE

## FRIDAY

Guest arrivals. Welcome drinks. Rehearsal dinner. Firepit conversations with festoon light magic.

## SATURDAY

Getting ready. Onsite ceremony. Cocktail hour. Wedshed reception. Dance floor energy. No rushing.

## SUNDAY

Recovery breakfast. Poolside coffees. Slow goodbyes.

This is what happens when everyone stays in one place.

## WHY STOP AT SUNDAY?

Make it a three-day celebration. Extend your celebration and turn Sunday into what it was always meant to be — a recovery day.

Sleep in.

Brunch instead of breakfast.

Cocktails by the pool.

Leftover wedding cake.

A grazing table round two.

Barefoot dancing on the lawn.

No timelines.

No vendors bumping out.

No pressure.

Because the best conversations happen the day after.

Add a third night and transform your wedding from a weekend... into a mini destination experience.

Availability is limited —third-night extensions are offered subject to calendar availability.

“Three days. One seamless celebration.”

# CHOOSE YOUR BACKDROP

Beneath open skies and towering eucalypts, your ceremony feels grounded, intimate and beautifully connected to the natural setting. There's no need for elaborate backdrops — the setting speaks for itself.

Choose your setting

- Under the Gum Trees
- The Open Lawn
- In front of The Barn Doors
- Inside The Wedshed (indoor option)

Each space is designed to feel natural, effortless and thoughtfully refined — allowing your styling to enhance, not compete with, the surroundings.

Nature does most of the work here.

# RUSTIC SOUL. MODERN FINISH

The beauty of the Wedshed is in its flow – inside to outside, dinner to dancing, quiet moments to full celebration. Kick things off at the caravan bar under the festoon lights, where canapes and cocktails set the tone.

Inside the Wedshed, your reception can unfold exactly as you imagine it. Choose a long, seated celebration with timber trestle tables layered in candlelight and conversation – or opt for a relaxed cocktail-style evening with wine barrels, bar stools and comfy lounge settings. The pergola offers an additional undercover space to mingle. It's a space designed to evolve with your evening – from relaxed arrival to full dancefloor energy.

# STAY ONSITE

Eight Acres sleeps up to 55 guests onsite across:

Luxury glamping tents  
Farm cottages (pet-friendly)

Guests contribute to their stay — significantly reducing your venue hire fee.

No venue hopping.

Just everyone you love, waking up in the same place.

## Hosting more than 55 guests?

We've created a list of trusted accommodation partners in Lakes Entrance for any overflow. From boutique waterfront stays to larger holiday homes, we'll guide your guests to options nearby — keeping everyone close and connected to the celebration. Because even when they're not onsite, they're still part of the weekend.

# THE POOL HOUSE

## Designed for the Morning Of

Soft natural light for makeup and photography.

Space for your bridal party to gather.

A calm environment away from the main flow of arrivals.

It's where robes and champagne glasses mingle.

Where final touches happen.

Where nerves settle into excitement.

The Pool House can be styled as:

- A bridal preparation suite
- A private lounge for the wedding party
- A quiet retreat between ceremony and reception
- A recovery-day gathering space

With its proximity to the pool and outdoor areas, it becomes a seamless extension of the weekend experience.

A group of six women are shown in a celebratory mood. They are wearing white dresses, and one woman in the center is pouring champagne into glasses. The scene is filled with white confetti, suggesting a party or celebration. The background is dark, and the lighting is bright, highlighting the women and the champagne.

“More than a Bridal Suite”

# DESTINATION WEDDING FEEL

## Lakes Entrance, Reimagined

Ocean air. Open space. Native landscape.

Eight Acres offers a true destination wedding feel – whether your guests are driving down the coast, travelling interstate or flying in from overseas.

When guests arrive, they don't simply attend a wedding – they step into a weekend.

Mornings begin with coffee under the eucalyptus shade.

Afternoons drift toward the pool. Evenings gather beneath the magical fairy and festoon lights.

Between celebrations, there's space to explore:

Coastal walks

Visit the winery up the road

Book a sauna session

Paddle boarding adventures

Book a massage

Visit the Metung Hot Springs

“This isn't just a wedding. It's an experience..”
