Valley Escape

## About Us

We specialize in creating unforgettable weddings that reflect your unique love story.

Allow us to take care of every meticulous detail, ensuring a seamless and magical celebration that will be forever etched in your memories.

**Personalized Service:** At Ferguson Valley Escape, we understand that your wedding day is a deeply personal and significant occasion.

We are committed to providing a personalised service, attending to every detail with care and precision.

From the moment you entrust us with your vision until the last guest bids farewell, our team will be by your side, ensuring that your wedding day unfolds flawlessly.

**Meticulous Planning:** Leave the stress of wedding planning behind as our dedicated event and styling specialists take the reins. With their expertise and attention to detail, they will guide you through every step of the process, from conceptualization to execution.

We understand that your wedding is a reflection of your personal style, and our team will work closely with you to ensure that every element is perfectly curated to create a cohesive and breathtaking experience.

Your special day deserves nothing less than perfection, and we are here to transform your dreams into an enchanting reality at Ferguson Valley Escape.

### Unforgettable Experiences:

## Accommodation

Your wedding is not just a one-day event; it is a celebration of love and togetherness. Extend the festivities by inviting your guests to stay on our grounds.

While the resort can comfortably accommodate 20 members of the bridal party, with a range of private king and queen suites plus shared rooms, we welcome additional guests to pitch a tent or bring a camper to enjoy a few nights immersed in the natural beauty of the venue.

This allows your loved ones to linger longer and create lasting memories in this idyllic setting.

Accommodation Costs; The Nature lodge sleeps 20 and is a fixed cost of \$2990 per night (20 pax)

Packages; Stay 3 nights, get the 4<sup>th</sup> night free \$8970 (usually \$11,950)

Camping Costs; Off grid campers with their own solar power and ablutions \$50 per couple or \$25 pp

# The Venue

Exquisite Venue: Our stunning venue provides the perfect backdrop for your wedding day. Nestled amidst picturesque landscapes, our resort style property sets the stage for a truly romantic affair.

Whether you envision an intimate ceremony or a larger celebration we cater from 20 – 100 pax. Our versatile spaces can be tailored to your desires.

Our lush tropical gardens provide a perfect backdrop for a gorgeous, garden wedding amongst greenery and nature, coupled with our styling of candle lit lanterns, festoon lights, long table lunches or dinners under the date palms or under the starry sky, strewn in flowers, candles, and exquisite decorations to create the perfect scene, you can enjoy an outdoor tropical garden fiesta!

Or we can offer an indoor sit-down gala with a bit of glam if you prefer something a little fancier, we can string up the chandeliers, and drape some flowing white chiffon or we can hold an indoor/outdoor barn style wedding, as our venue offers a range of options to accommodate your vision.

# Catering + Cake

Culinary Delights: Indulge in a culinary journey that will tantalize your taste buds and leave your guests raving. Our talented team of caterers will craft a customized menu that reflects your preferences and culinary desires.

From delectable appetizers to mouthwatering main courses and exquisite desserts, or long table grazing boards, we prioritize quality and flavour with the best produce from paddock to plate to ensure an exceptional dining experience for you and your guests.

Prices start from \$150 pp

We do a range of tiered naked cakes with vanilla, white chocolate or limoncello butter icing starting from \$550

# Event Management

The Perfect Solution for Your Big Day!

Wedding event management involves the coordination, planning, and execution of every aspect of a wedding.

The goal is to create a seamless and unforgettable experience for the bride, groom, and your guests.

Our wedding planner takes care of everything from the venue set up, menu planning, decor, flowers, photography & music

Planning a wedding can be an overwhelming experience, even for the most organized individual.

There are countless details to manage, timelines to create, and budgets to consider. A wedding planner takes on the responsibility of keeping all of these details organized and ensuring that the wedding is executed successfully.

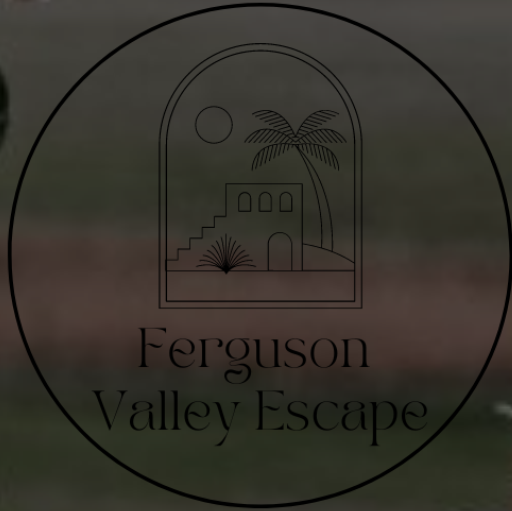

One of the biggest benefits of hiring our wedding planner is that it allows the bride and groom to relax and enjoy their special day.

The owners, being qualified interior designers and chefs can encapsulate your vision with you to bring it to life.

A wedding is not just a day, but a memory that stays with you for the rest of your life, this we understand so our aim is to go above and beyond to create that unique, special day that will be etched in your memories forever!
