TESTIMONIALS

"The staff at The Langham are to be commended as a whole. Our experience from the moment we arrived to the moment we left was extraordinary. All Staff with whom we interacted were friendly, attentive to our needs and always helpful. We are so grateful to the wedding reception team (Led/Coordinated by Kim Hilbig) - Including but not limited to the audio-visual team, bar staff, waiters & waitresses, and the kitchen who produced exceptional food which was thoroughly enjoyed by all. As for our accommodation - the room was a spotlessly clean, attractively presented and was a generous size. 2:00pm check out was greatly appreciated. Without exaggeration, The Langham delivered an exceptional reception event on a day which will live in our memory as the best day of our lives. We are so excited to return, stay with The Langham again and make use of the excellent catering capabilities to host family and professional events."
