At Grow Event Space 25/26

Refined minimalism meets botanic chic.

Grow Event Space is a bayside hidden oasis. A modern, bright, fresh, venue space, abundant in natural light and bursting with lush greenery. With three distinct, versatile areas, each offering a unique location for standing or seated events & gatherings.

Inside, an open plan design with polished concrete & natural oak offers a modern palette for your event. A vertical garden is featured behind the large bar, along with designer pots and mature plants.

Outside the outdoor poolside terrace surrounded by greenery and Gill's lush garden nursery.
