Beverages

Bar Tab

There is a minimum spend requirement for event bookings, which ranges depending on the space booked. This minimum spend can be used on food and beverages purchased from the venue.

A private bar setup is included in your venue hire. From this, there will be a limited beverage menu available including your must haves and favourites, but guests are still able to purchase drinks from the public bar should they want something that is not provided in your space.

Of course, you can determine what is included on your bar tab. For example; only wine and beer available on your tab, with the other drinks (RTD's, spirits etc.) to be available for guest purchase.

Beverages

Cocktails

Our exciting selection of Diablo cocktails is now available on tap, served from our custom-built bar set up right in your event space. It's the perfect way to impress your guests and elevate your celebration.

Delight your attendees with an eye-catching welcome drink or a stylish late-night cocktail bar experience.

Choose up to four flavours for your event, tailored to your preferences. These can be added to your bar tab or offered for guest purchase.

Your event coordinator can advise the available flavour options and create a memorable drink experience for your special occasion.

Catering

Platters

We have a wonderful range of platters available for group bookings and private events. Each platter caters for up to 10 people, and are quite generous in size.

Should you wish to include a selection of platters, please view our menu and order your selections at least 4 weeks (28 days) prior to your event date.

Tea & Coffee

Should you require tea and coffee for your event, we can set up a self serve station in your event space for an additional setup fee and per person charge. Ask our Event Manager for more information if this is of interest to you.

External Suppliers

On occasion, we have found that some events require catering that is outside our limits. For this, we have an approved supplier list of local catering companies that can provide delicious options for roaming canapes, alternate drops menus and degustations.

Our preferred suppliers can be provided to you once your booking has been confirmed.
