# ABOUT OUR COMPANY

24 Karat Films creates and delivers major film and media projects throughout Sydney for numerous clients with an experienced team of photographers, videographers and media editors. With multiple years in the business working with old 35mm and super 8 film, through to the era of VHS and now working with top grade 4K cameras, we deliver crystal quality media for clients all throughout Sydney,

# For The BEST PHOTOS

# A TEAM YOU CAN TRUST

## Our Promise

With the best equipment, experience and expertise, we promise each and every client we will ensure the job is done at the best ability, from double backing up data, to four-eye checks (double review) before we deliver.

## Two Week Turnaround

We aim for a two-week turnaround from the day of your event, including a 72 Hour turnaround for your sneak-peek reel. Whether if it's photos, videos or edited films.. or all of them together.

## Satisfied Or Your Money Back\*

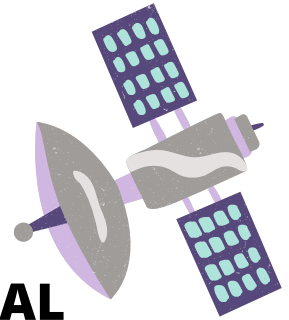

We do not charge if we fail to deliver. We only want positive 5 Star stories from people who work with us and we never wanting to leave a bad mark.

# WORKING IN A CHANGING WORLD

With COVID 19 affecting the way we reach each other and communicate, we started offering livestreams for people who cannot attend ceremonies. Our team records and streams events for weddings, events in any location, and ensure every part of the teleconnection lines are secure and ensure the viewers at home see every part crystal clear,

**We also do Rural areas utilising starlink technologies (rental cost paid by client)**

# A BUSINESS YOU CAN TRUST

We cater for all events and are  
ready to chat with you
