FAQ

When do you start and finish?

For the 14 hour All Day packages we usually start around 10am and end at midnight (or the last major event)

For the 10 hour Half Day package we'll usually start at 11am and finish at 9pm

How much drone footage is captured?

With 2 shooters you can expect establishing shots of the venues, drone shots of the ceremony and extensive shots during the photoshoot. With 1 shooter, only establishing shots will be filmed and some of the photoshoot if possible,

Can I have all the raw footage?

Yes, a hard drive with all the footage can be arranged at market cost.

Do you charge for travel?

Anywhere within 100km of Albury and Melbourne will incur no additional cost.

When can I expect my videos finished?

*For the **Full day packages**, we aim to get you back the social media video the next day, travel and other uncontrollable externalities may result in an additional day of editing.*

*The social media video for the **Half Day package** can be expected in under a week*

For all other videos, 1 month is the rough turnaround. Weddings filmed near the end of the season (April-May) may have to wait an additional month due to backlog
