# LIVE WEDDING PAINTING

PACKAGES

A photograph of two brides in white dresses standing next to an easel in a grand hall. The bride on the left has long, wavy brown hair and is wearing a light-colored, sleeveless dress. The bride on the right has long, straight black hair and is wearing a white, strapless, sweetheart-neckline dress. They are both smiling. To their left is a wooden easel with a white canvas. In the foreground, a paint palette with various colors is visible. The background shows a grand, ornate hall with high ceilings, chandeliers, and architectural details.

## CUSTOMER REVIEWS

ALEXIE - MOH

We, the bridal party, surprised the couple with a painting for thier big day.

Organizing the surprise with Teresa was so easy and they were very accommodating. Both Teresa and Bernadette were on board with our surprise and went to every effort to keep it that way.

The bride and groom love their painting and there were so many compliments throughout the night. The painting itself is gorgeous and a great memory from the day

We 100% recommend
